There is a 10% discount for families with 2 or more students in the same household. That is in addition to the above 5% discount when paying in one payment per year. In order to receive the 5% discount payment must be paid in full by August 10<sup>th</sup>. This discount does not apply to students registering in the middle of the year. If you have chosen the one or two payment plan and you submit written withdrawal notice 30 days in advance, you will receive a refund of unused tuition. Please note that even though some months are shorter than others, our tuition is based on the total number of dance days and divided by 10 months (August through May). Tuition is paid in full the first of each month and never pro-rated for holidays. Keep in mind that we have already factored the holidays into the total cost per class. Thanks!
