Recital Dances / Class Attendance:

As we are getting closer to recital, please keep in mind it is very important for your child to be in class each week. We are working diligently on the recital dances and learning choreography in each class. When they are not here, it makes it difficult to catch them up AND continue moving along in the dance. We understand certain situations occur - however, please make every effort to be in class. We will be working on a google drive for all recital classes to be able to practice at home. As soon as all classes finish up we will email this out to you all!

Picture Day!!
May 3rd : 3:00-until!
 We will send out a schedule for this day closer to Time! Mark your calendars now! This will be the only day to have your recital picture taken!
